APPLICATION QUALIFICATION GUIDELINES

1. Applicant must submit a fully completed, dated and signed Application and all required payments. Applicant must provide valid proof of identity. A separate bedroom must be contracted for each resident of any age wishing to live with the Applicant, except for immediate family members of the Applicant as defined by the Fair Housing Act, subject to occupancy limits. Applicants who are not enrolled college or university students or who apply with one or more family members must reserve an entire apartment at the time of application.
2. A qualifying guarantor will be required unless the Applicant has verifiable income of at least three times the cost of the proposed Housing Agreement or prepays the certain installments as described in the Housing Agreement. An Applicant without a guarantor may be required to produce tax returns, W-2 or 1099 forms or other proof of income. To qualify, a guarantor must have verifiable income of at least four times the cost of the proposed Housing Agreement and have a credit history acceptable to Owner. If Applicant lacks sufficient individual credit and does not provide a qualifying guarantor, the Applicant will be required to prepay certain installments of housing charges as additional security.
3. Generally, a minimum of two years residential rental history is required for an Application without a qualifying guarantor. Items that may cause the Application to be declined include: (a) if Applicant's credit history or civil court records contain slow pays, judgments, eviction filings, collections, liens or bankruptcy within the past 7 years; (b) if past collection accounts are not fully repaid; (c) if Applicant owes any amount to any other landlord, residential community or housing association; or (d) if Applicant's previous rental history reflects negative information such as unpaid or habitually late-paid rent, disturbances, unlawful activities or unit damages.
4. Operator reserves the right to decline any Applicant with a material criminal history, as determined by Operator, acting through its agent, in its sole discretion.
5. Any exceptions to these criteria will be granted solely in the discretion of Operator and its agent. Additional conditions may be required for exceptions to be made, such as additional security deposits and/or advance payment of housing charges.

The Lofts at Wolf Pen Creek is an Equal Opportunity housing provider.
